A Prayer Guide for the Fourth Quarter of the Year

We have provided prayers for some of the weeks and hope you will write your own prayers for other weeks. Carefully think about the week's verse as it applies to your life then write your own prayer as the Holy Spirit directs your thoughts. You may want to add to your prayer throughout the week as you continue to meditate on the verse, creating your own prayer journal. We hope this way of praying Scripture helps you grow in your relationship to God and in loving His word.
