

(A reminder, once you have set up your new giving please take a moment to login to the old company and stop your transactions by logging into **Giving 2**. If you don't cancel the transactions, they will continue to be charged to your account or credit/debit card.)

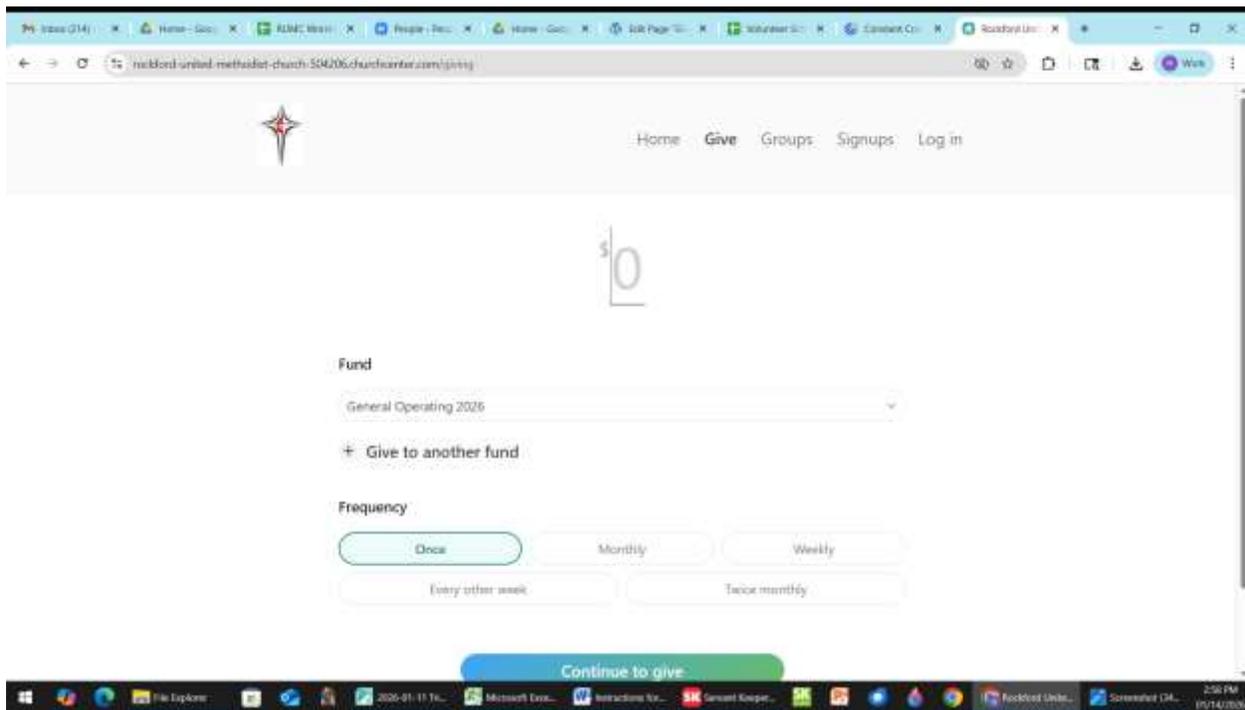

## Instructions to set up Online Giving using Planning Center/Stripe

You will want to set up your **donations for 2026** by clicking on the **Online Giving** button.

Use the pictures and instructions below to set up your 2026 online giving amounts.

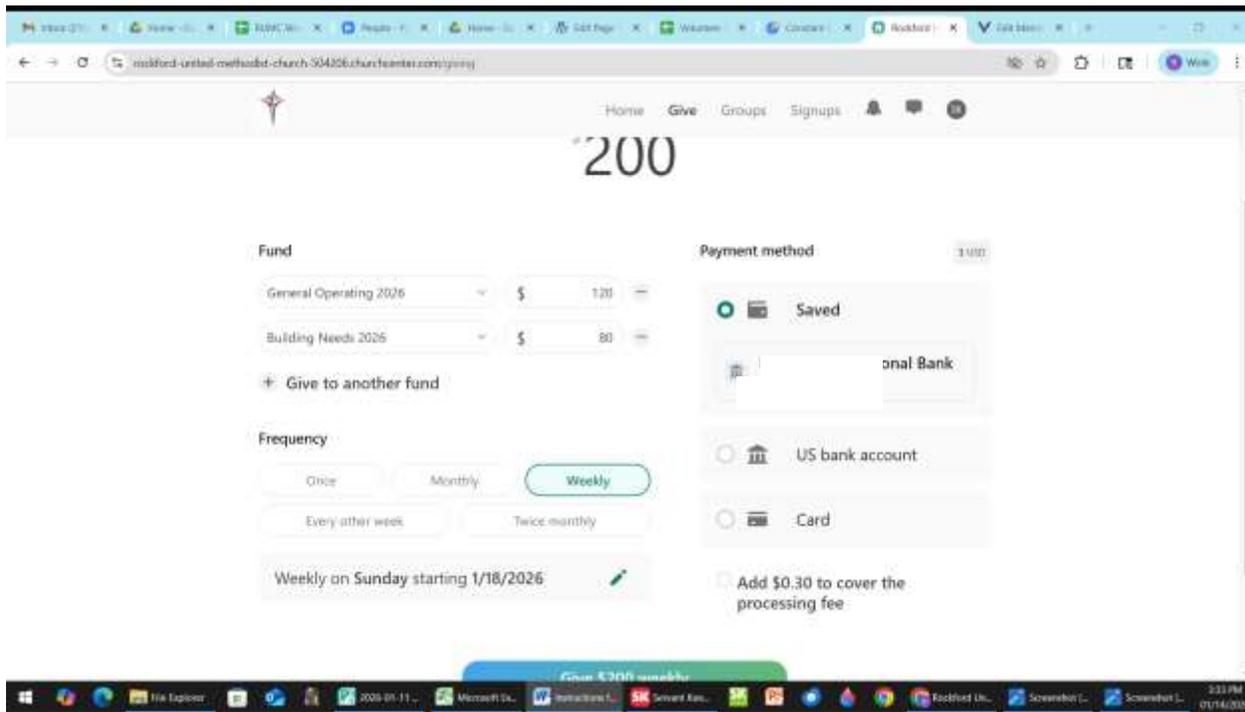

This is the home screen from which you will create an account if using for the first time, or to login to your account. The default is your cell number, but you can use your email address instead.

Starting screen to make a donation or login

Here, you will be able to determine how much you would like to donate to which funds and how often. The default fund is General Operating 2026, but you are able to select other funds.

1. Enter the amount you would like to give to the General Operating 2026, the default fund, or if you wish to begin with another fund, click on the down arrow and you will find a list such as Building Needs, Bread Pan, Memorial etc. Click on **Give to another fund** if you would like to add another donation and select the fund and the amount you wish to donate. Repeat this step until you have selected all the donation funds and the amounts you would like to give.
2. Once you have determined how much to give and where, then select the frequency you would like to donate from the options given. You can edit when you would like your contribution to start.
3. Then it will ask you to type in your phone number or email address to verify it's you making these changes.
4. Once you are verified, you will be taken to the payment screen.

Payment Screen

5. Add your payment information. You can select a bank account or a credit/debit card. You can also select the option to cover the processing fees. You can still make edits in your contribution choices and frequency. In the example above a \$120 donation to General Operating 2026 and an \$80 donation to Building Needs 2026, totaling \$200, has been made to start weekly on January 18, 2026. They have bank information already saved and will be using this account for payment.

6. Once everything looks satisfactory, click on the colored button (in this case where it says Give \$200 weekly) at the bottom of the screen. Here it will process and give you confirmation. You may be sent a confirmation email.

Contact the church office if you have any questions or concerns.
